

FIRE INSTRUCTIONS

On Discovering A Fire:

1. Raise/sound an alarm of the fire immediately and activate an evacuation of the premises if necessary.
2. If possible fight the fire with Fire Extinguishers and or Hose Reels. *Note:* no one should endanger oneself in doing so.
3. Report the fire to the Company Security (Gate House). State the exact location and what is on fire.
4. Company Security reports externally to Guyana Fire Service and internally to the relevant (Call Out) personnel.

Note:

- (a) The Guyana Fire Service telephone lines are:

Emergency - 912

Switch Board - 226-2411/3

(b) Entrances to be used

- * Mandela Avenue, North Gate - Thirst Park Factories.
- * Ruimveldt Public Road, West Gate - Rotunda and Sales Building.

5. Activate the Company's Work Brigade.
6. The Company's Security personnel secure the Fire Ground.

No Unauthorized person (s) must be allowed entry.
